

COLOR CHALLENGE

If you have been in the store lately you may have noticed the huge selection of solids from Bella Solids, Batiks, Grunges, Ombre, the complete selection of Kimberbell Basics and now our latest collection Cotton Shot from Amanda Murphy.

Our challenge is to take a color focus each month and display customer quilts on our gallery walls. So how does this work:

Each month will have a color focus.

- Your quilt will need to have the predominant color of that month's color (don't worry you can use other colors too)
- Throw size or larger (At least 40 x 60)
- It could be a quilt you have done recently which has not been in a quilt show or newly completed.
- Bring your quilt to the store the **first week of the month** for display. When you bring it in, we'll ask a few questions about your quilt:
 - when it was made
 - pattern name
 - who quilted it
 - did you use Accuquilt to cut it?
 - Any story behind the quilt?
- Customers all month long will vote on their favorite quilt.
- The winner (most votes) will receive a gift certificate of \$50.

So Here is Year's Color Focus Line-up

February - Red

March - Green

April - Blue

May - Pink

June - Purple

July - Cream, Beige, White

August - Yellow

September - Orange

October - Black

November - Brown

December - Holiday Solids

Register today, sign up for your favorite color and month (s) and receive 20% off your fabric purchase in those colors. One coupon for each month you plan to participate.
