General description: The B 770 QE PLUS offers innovative quilting, sewing and embroidering features plus a large sewing space to make creating easy. Enjoy a large sewing and embroidery area. The BERNINA Hook sews high-precision stitches up to 9 mm in width with speeds up to 1,000 stitches per minute. The bobbin holds 70% more thread than standard bobbins.

This machine was originally purchased as a B770 QE and later upgraded to a Plus and an embroidery module added. Module is not SDT
