

Machine Model: Q16 on folding table

Machine serial # 61572323 Original purchase date: March 2023

of stitches:

Date placed on consignment: March 2026

Consignment reason: injury prevents from using machine

General description:

The BERNINA Q 16 has more throat space than a domestic machine, a spacious 16 inches. Pair that with a foldable, height-adjustable table and the machines meet and exceed all your small space, big quilting needs. The machine can be fully operated from the front. The handwheel in the front allows for easy manual needle positioning. Thanks to the integrated BERNINA Longarm Stitch Regulator you achieve perfect stitches at equal-length no matter which speed you move the fabric. A manual mode with no stitch regulation is also available.

The foldable table set up is fast and easy in minutes — no tools required. Fabrics glide easily over the smooth surface of the table. If the space for quilting is limited, the Foldable Table can be stored in a simple and spacesaving way.

With a simple manual adjustment of the legs, the table can be adjusted to three heights:

28" — 71 cm

30" — 76 cm

32" — 81 cm

Table size: 36"x 45" (91 cm x 120 cm)

What's included:

- EXTRAS: Ruler Kit, Amanda Murphy Rulerwork Quilting Idea Book, #96 foot
- Potential BONUS: first Q16 consignment or trade-in machine sold receives a handmade machine cover.
